LOT #3**ALEXANDER VALLEY VINEYARDS**Royalty | Never Before, Never Again Lot

Cabernet Franc

Alexander Valley, Sonoma County

2019

5 CASES

ABOUT THE WINE:

Alexander Valley Vineyards' Wetzel Family Estate spans 720 acres with vineyards that stretch from the Russian River to the Mayacamas mountains. While a large portion of the family's vineyards are planted to Cabernet Sauvignon, a few sites are home to Cabernet Franc. Cabernet Sauvignon has long been regarded as the "king" of the Alexander Valley, and as the father of the king, Cabernet Franc reigns as "royalty."

The valley temperatures allow the grapes to ripen slowly and evenly, achieving exceptional flavors. Winemaker Kevin Hall selected the best lot, hand-picked from a 22-year-old vineyard planted to Clone 1. The fruit was hand-harvested, fermented in a small 8-ton fermenter to enhance extraction and concentration and is on a twenty-two-month barrel-aging program. Their tight-grained french oak barrel allows for slow oak extraction, allowing the fruit to be accentuated, rather than covered up by oak.

"Royalty" is a silky wine with beautiful acidity and gorgeous texture. Rich aromas of blueberry, dark cherry and a slight floral note draw you into the glass. There is a depth of flavor not hidden by brash young tannins, instead, there is dimension and complexity that builds and changes with each minute. Juicy flavors of blueberry, black cherry and a hint of black olive fill the glass.

LOT #4

BALLETTO VINEYARDS

The 10 Percent | Winery Only Lot

12 BOTTLE COLLECTION

- 2019 Balletto Vineyards Pinot Noir, Pelletti Vineyard, Russian River Valley, 1 CASE

ABOUT THE WINE:

After seeing the high-quality Russian River Valley wines crafted from their fruit by other wine producers, John and Terri Balletto decided to pursue winemaking under the Balletto Vineyards name in 2001. Twenty years later, they continue to save 10% of their top quality fruit to craft estate wines from Russian River Valley.

Balletto Vineyards newest addition to their vineyard designate selection of world class Pinot Noirs from the Russian River Valley is sourced from Pelletti Vineyard, south of the Russian River near Forestville, where the climate is slightly warmer than the rest of the valley. This remarkable 5-acre block vineyard is planted in their winemaker's favorite three clones of Pinot Noir: Mt. Eden, Swan and Calera. At this vineyard, Gold Ridge and Altamont soils meet cool temperatures to create lush, high-quality Pinot Noirs with enough tannins to provide structure and ageability, among others.

LOT #5

BENOVIA WINERY

Cohn's Clone | Never Before, Never Again Lot

Pinot Noir

Cohn Vineyard
Sonoma County
2020
5 CASES

ABOUT THE WINE:

Benovia Winery has crafted a single clone Pinot Noir from Cohn Vineyard at the northern edge of the Russian River Valley. Cohn Vineyard is one of the few heritage vineyards remaining in Sonoma County, initially planted in 1970. The vineyard is notable for its ruddy, iron-rich soil, sometimes called "Terra Rossa." A top layer of quartz and old riverbed stones make for excellent drainage. Farmed organically, these gnarled vines produce small and compact clusters with yields of just over 1 ton per acre.

Benovia Winery conducts harvest by night to prevent oxidation and ensure firm fruit. Winemaker Mike Sullivan tailors the winemaking process to the character of each lot of grapes, having tasted the fruit as it ripens and determines how he'll utilize techniques to achieve the best expression of the vineyard site.

They employ native fermentations and judicious use of fine-grained, low-toast French oak for aging. They don't fine or filter their red wines and the end result are wines that are delicious now and will improve with age.

This vineyard has the hallmark of an ethereally-floral aromatic quality, with sensual texture and an impressive length. A medium ruby color is followed by gorgeously intense aromas of meadow herbs, Rainier cherries and intense mineral notes.

LOT #8

CHALK HILL ESTATE

Clara's Cuvée | Never Before, Never Again Lot

Malbec 60%, Syrah 40%

Chalk Hill Estate Vineyard

Chalk Hill, Sonoma County

2019

5 CASES

ABOUT THE WINE:

The true essence of Chalk Hill is its estate, a unique corner of California wine country. Here, proprietor Bill Foley both preserves the nature of the land and honors it by producing wines reflecting its exceptional qualities. The Malbec for this wine comes from the 15.9-acre Clara's Vineyard located on Chalk Hill Estate. First planted in 2003, this warm, south-facing site features rocky, porous volcanic soils that are ideal for red Bordeaux varieties.

Their vineyards are completely handpicked by the estate vineyard team allowing full control of the timing of when they pick their fruit. They walk their vineyard blocks, taste for optimal flavor profile and decide on the most favorable time to pick. They hand sort fruit in the vineyard as they go and use an optical sorter for processing the fruit. Using only the best fruit possible from these blocks, they keep each vineyard pick separate, ferment separately, age as its own lot and blend at just the right time to allow the wines to marry together.

"Clara's Cuvée" is a very dark, inky dense rich color with aromas of black cherry, blackberry, pepper spice and violet. On the palate, layers of tobacco, plum, blackberries and dark chocolate endure with soft, silky tannins and a lush mouthfeel.

WINEMAKER: Michael Beaulac

LOT #13

CRESCERE

Secret Selection | Never Before, Never Again Lot

Sauvignon Blanc

Ritchie Vineyard

Russian River Valley, Sonoma County

2019

5 CASES

ABOUT THE WINE:

Crescere, a boutique, family-owned winery producing wines that highlight only the best parcels of land and fruit from Sonoma County, has crafted a barrel selection from Ritchie Vineyard. Kent Ritchie planted this five-acre section of Sauvignon Blanc on sandy Gold Ridge soils over 48 years ago. The vineyard is one of the best-kept secrets in all of California wine. Jeb Dunnuck proclaimed "it ranks with the finest Sauvignon Blanc coming out of California today."

Winemaking veteran Philippe Melka uses his expertise to elicit the unique qualities of the "grand cru" site with a focus on wine texture and purity of varietal expression. With a few vintages under his belt producing this Sauvignon Blanc, he has refined the type and amount of French oak that allows the wine to reveal the purity of fruit and weight as well as the saline quality unique to this vineyard.

Exploding with bright apricot, pear, honeysuckle and fresh lemon zest. Intensely flavorful, the wine reveals a divine tension with a textured and lively concentration of crushed rocks, ripe grapefruit, warm spices and the perfect touch of tropical fruits all leading to a wonderfully balanced finish that lasts. A very impressive wine to enjoy now or tuck away to gracefully age.

LOT #14

DAVIS BYNUM

Cherry Picker | Never Before, Never Again Lot

Pinot Noir

LaFranchi Vineyard 69%, Jane's Vineyard 31%

Russian River Valley, Sonoma County

2019

5 CASES

ABOUT THE WINE:

In 1973 Davis Bynum built a winery out of an old hop kiln on Westside Road, and produced a 1973 Rochioli Vineyard Pinot Noir, the first of its kind. Just following his heart, Davis became an unwitting pioneer. This wine is a combination of fruit from two top shelf vineyards, the first and only of its kind.

Davis Bynum's Jane Vineyard Wädenswil Clone Pinot, from the warmer heart of the Russian River Valley, was put through 100% carbonic maceration for two weeks before fermenting dry with native yeasts. The LaFranchi Pommard Clone Pinot, from the cooler edge of the Santa Rosa Plains, fermented in open-top barrels, and was punched down by hand for eight days. After blind tasting a handful of top lots from the vintage, these two were selected to blend.

"Cherry Picker" designated by Winemaker Greg Morthole comes from quiet moments lounging in the hammock, drinking a glass of Pinot, remembering how his kids got so excited to see cherry picker trucks in the neighborhood. This striking blend exudes juicy cherry, strawberry and boysenberry aromas which meld with dried cranberry, creamy oak, toasted marshmallow, savory plum and baking spice flavors through the tasty finish.

DRY CREEK VINEYARD

Iron Slopes Zinfandel | Never Before, Never Again Lot

Zinfandel

Vogensen Ranch 60%, Beeson Ranch 40%

Dry Creek Valley

2019

5 CASES

ABOUT THE WINE:

Dry Creek Vineyard, a producer of site-specific Zinfandel for nearly 50 years, for the first and only time, selected lots from Vogensen Ranch and Beeson Ranch vineyards to create a distinctive blend. The soils in these vineyards are made up of decomposing metamorphic rock that is high in iron content, drains exceptionally well and stresses the vines late in the growing season resulting in berries with concentrated color and flavor.

Rising more than 800 feet off the valley floor, Vogensen Ranch is located on the back of Bradford Mountain and is one of the most extreme growing sites in all of Dry Creek Valley. Historic Beeson Ranch, a vineyard planted in the late 1800s, adds the iconic complexity that can only come from pre-Prohibition vines. The powerful Zinfandel from this dramatic bowl-shaped site on the western hillsides is supplemented with small amounts of Carignane, Grenache, Alicante Bouschet, Trousseau Gris and Pinot St. George.

The "Iron Slopes Zinfandel" is bursting with bright, fresh raspberry and cranberry with deeper nuances of boysenberry, supported by the characteristic spice of Dry Creek Valley: cumin, coriander and white pepper along with hints of cocoa. This full-bodied, balanced wine was crafted for excellent aging potential and accessible flavors in the wine's youth.

- 2016, 2017, 2018 DuMOL Winery Cabernet Sauvignon, Montecillo Vineyard, Moon Mountain District, 12 BOTTLES EACH

ABOUT THE COLLECTION:

In 1964, the iconic and magisterial Montecillo Vineyard was planted at 1,700 feet on the steep southwest-facing slope of Moon Mountain, a stone's throw from the Sonoma-Napa border. Its highly eroded iron-rich red soils yield profound wines of unmistakable pedigree: distinctive, powerful and complex with a level of character that can only come from vines planted on the margins. This vineyard produces a singular expression that is impossible to replicate. This 3-year vertical spans from the texturally-layered 2016 vintage, to the long, driving flavor of the 2017 vintage, and culminates with the 2018 vintage which is among Winemaker Andy Smith's favorite Cabernet wines he has bottled in over 20 years.

ENROUTE WINERY

Journey to Marty's Vineyard | Never Before, Never Again Lot

Pinot Noir

Marty's Vineyard

Green Valley, Sonoma County

2019

5 CASES

ABOUT THE WINE:

EnRoute was established in the Russian River Valley in 2007 by the partners of Far Niente winery. Devoted to producing Russian River Valley Pinot Noir, EnRoute introduced its first wine, Les Pommiers, in May 2009. Les Pommiers was named for the apple orchards that once flourished in the region, and reflects a blend of vineyards primarily from Green Valley and the upper Middle Reach area of the Russian River Valley AVA.

The name, EnRoute, is a nod to the journey they have taken on their way to producing Pinot Noir, which began in the 1980s in Burgundy. The partners enjoyed traveling and tasting the great Pinot Noirs of the world. After a few years of producing wines from the Russian River from sister winery Nickel & Nickel, they decided to make a serious commitment to the region and established EnRoute, devoted to Russian River Valley Pinot Noir.

Marty's Vineyard, in the heart of Green Valley, is farmed by the Dutton family. There EnRoute carefully selected 115 and 667 clones to ferment in a concrete vessel for this "never before, never again" auction lot. They have a limited program for fermenting in concrete. As a result, an impressive fruit forward wine was created while still retaining texture and structure.

FERRARI-CARANO WINERY

Rock Rise Red Blend | Never Before, Never Again Lot

Cabernet Sauvignon 60%, Syrah 20%, Petite Sirah 20%

Rock Rise Vineyard

Alexander Valley, Sonoma County

2019

5 CASES

ABOUT THE WINE:

Ferrari-Carano, established in 1985, has always been a leading producer of world-class, nationally-acclaimed wines. Vintage after vintage, the wines exhibit a remarkable consistency of style and elegance. Their “Rock Rise Red Blend” is a beautiful “never before, never again” single vineyard blend from Rock Rise Vineyard.

Rock Rise Vineyard sits high above the Alexander Valley up to 1200 ft. in elevation. There are multiple varietals on the ranch that consists of approximately 200 acres. When digging their wine caves on this vineyard site, there was an abundance of rock, so much so, that Don Carano purchased a rock crusher to continue to utilize the rock in a new fashion. In turn, these crushed rocks have become the foundation of many of their vineyard roads. Many rocks remain within the vineyards along with decomposed rhyolite soils.

This fruit from Rock Rise Vineyard was picked at the ultimate ripeness by hand, optically sorted, naturally fermented with gentle pump overs and is aging for 20 months in their wine caves.

“Rock Rise Red Blend” exudes rich blackberry jam, cassis, pomegranate, mocha, cardamom and vanilla aromas and flavors along with great weight and intensity with elegant tannins and structure.

FISHER VINEYARDS

Mountain Monopole | Never Before, Never Again Lot

Cabernet Sauvignon

Mountain Estate Vineyard

Sonoma County

2019

5 CASES

ABOUT THE WINE

Founded in 1973 by Fred and Juelle Fisher – and now led by three siblings of the second generation – Fisher Vineyards produces terroir driven, estate grown wines from both Sonoma County and Napa Valley. Blessed by significant contributions over five decades from several of California's great wine talents (including Paul Hobbs, Mia Klein, David Abreu, Aaron Pott and Adam Goodrich), Fisher Vineyards now releases nine estate grown, small-production bottlings each year.

Following more than four decades planting vineyards and adapting farming practices to the mountain climate and terrain around the winery, they launched their Mountain Estate Vineyard, Cabernet Sauvignon. The core of this wine is Cabernet Sauvignon grown on steep, west facing terraces that rise above the winery, reaching a towering elevation of 1,400 feet. Other contiguous vineyard blocks yielding fruit of mature character and balance incorporate a great diversity of soils and exposures, providing additional complexity and unmistakable mountain terroir. Today, the pioneering work to develop these mountain vineyards is awe inspiring to every visitor.

This 2019 barrel selection marks the first offer of any kind from this majestic site. Hand harvested, destemmed and double sorted, this pristine fruit was whole-berry fermented in 225 Liter new french oak barrels. The resulting wine showcases classic Cabernet Sauvignon characteristics including savory aromatics and flavors of cassis, blackberry, cedar and dark cocoa nibs.

LOT #25**GARY FARRELL VINEYARDS & WINERY**

A Coastal Hallmark | Winery Only Lot

60 BOTTLE COLLECTION

- 2017 Gary Farrell Vineyards & Winery Pinot Noir, Fort Ross Vineyard, Fort Ross-Seaview, 5 CASES

ABOUT THE WINE:

The Fort Ross Vineyard was planted in the 1990s and is located on a very cool, coastal ridge ~1200-1700 feet above sea level within the Fort Ross-Seaview AVA, on the Sonoma Coast. The vineyard sits less than a mile inland from the Pacific Ocean and is recognized as one of the closest vineyards to the California coastline. The ocean fog at this elevation is less intrusive than in lower lying coastal vineyards, rolling in to cover the vines at night but then receding with the morning sunrise. The coastal tempering effect prevents extreme temperature swings; in fact, the lows rarely dip below fog temperature of ~55°F and rarely get above 85°F on hot, sunny days. With its rugged coastal terrain, marine sedimentary soils, long sunny days and gentle sea breezes, these coastal ridges have become one of the most highly regarded growing regions in all of California. Of the roughly 32 small vineyard blocks, Gary Farrell Vineyards & Winery receives Pinot Noir from two amazing sections, including clone 777 and Calera selection.

95 Points *Wine Spectator* "Powerful, pure-tasting and focused, with intense cherry and red currant flavors, backed by fresh acidity. Flinty accents show midpalate, featuring a finish that lingers with dried berry and spice components. Just a baby. Best from 2021 through 2026." — Kim Marcus, May 2020

LOT #27

HIRSCH VINEYARDS

The Proclamation of Block 8 | Winery Only Lot

36 BOTTLE COLLECTION

- 2017 Hirsch Vineyards Estate Pinot Noir, Block 8, Fort Ross-Seaview, 3 CASES

ABOUT THE WINE:

The 2017 Hirsch Block 8 Estate Pinot Noir is made entirely from a single block, a section of their vineyard that David Hirsch has long considered his grand cru parcel. Block 8 is the only location at Hirsch with Boomer-Mendocino soil formation. Characterized by a reddish tint from high amounts of iron oxide, the rock and gravel content in the soil averages 40-70% throughout. This results in superb drainage, allowing the roots to run deep and pervasive. The vineyard is divided into five sub-parcels, determined based on rock content, all planted in 1993. The cuttings came from their oldest vines (The Old Vineyard) and are a field blend of the heritage Pinot Noir clones of Pommard and Wädenswil.

This extraordinary vineyard produces distinctive wines with supple, elegant tannins, explosive fruit aromatics, balanced acidity and complex aromatics. The 2017 Hirsch Block 8 Estate Pinot Noir is no exception, with dark red fruit, well integrated tannins and charming aromatics. In this wine you will find a pure and focused expression of one of the most unique sections of the Hirsch Vineyard.

CROSSBARN WINERY

Riverwash | Never Before, Never Again Lot

Cabernet Sauvignon

Alexander Valley, Sonoma County

2019

10 CASES

ABOUT THE WINE:

Crossbarn is named after the 150 year old 'cross barn' located on the Hobbs family farm in upstate New York. Crossbarn honors the values of hard work and integrity instilled in Paul Hobbs from his childhood. With a commitment to sustainably nurturing the vineyards, while using labor-intensive winemaking techniques, the wines offer a youthful expression and purity of fruit. This "never before, never again" wine from Crossbarn Winery's new vineyard, located in Healdsburg off Soda Rock Lane in the esteemed Alexander Valley, became certified sustainable just one year after it was purchased.

The vineyard is situated on the banks of the Russian River where the river-washed soils lead to deep penetrating roots that offer the fullest expression of the site. Along with gravel and clay loam, their mosaic of soils, like Riverash, allow their fruit to develop an excellent balance of ripeness, elegance and depth of flavors. And as such, this auction lot is aptly named "Riverwash."

Harvest took place on October 10 with fruit hand-harvested and hand-sorted at the winery. Aged 18 months in 20% new oak the wine reveals lively and youthful with notes of black cherry, anise, cacao, lavender, fresh oregano and energetic palate of seamless tannins and blackberry finish.

ABOUT THE COLLECTION:

Westside Road and the Russian River Valley AVA are truly unique and diverse. They are home to an amazing array of soil types and microclimates, there is a rich history of different crops that flourish in the region – hops, plums, walnuts, grapes to mention a few. It is no wonder the terroir attracts colorful, hard-working and creative folk from all over the globe to make this their home.

The Rochioli Family started farming their ranch in the mid-1930s and planted their Cabernet Sauvignon in 1959 – the year Oded Shakked, neighbor and winemaker/owner of Longboard Vineyards was born. Oded, an Israeli born surfer, came to study wine at UC Davis, moved to Healdsburg in 1988 and as he says he "felt roots growing from the bottom of my feet."

For this lot, Tom Rochioli and Oded are happy to collaborate on a once-in-a-lifetime library case of wine from the Rochioli Estate. It is their way of honoring Tom's father, Joe Rochioli, who is not just THE pioneer of quality grapes in their region but also a great "Salt of the Earth" guy.

JOSEPH SWAN VINEYARDS

The Transcendent Trifecta | Winery Only Lot

12 BOTTLE COLLECTION

- 2016 Joseph Swan Vineyards Pentagon Reserve Pinot Noir, Trenton Estate, Russian River Valley, 1 CASE

ABOUT THE WINE:

Only twice in the more than 50 year history of Joseph Swan Vineyards' Trenton Estate Vineyard have the conditions warranted the bottling of a special reserve wine, from the latest ripening block of their vineyard that they call Pentagon. The first was in 1997 and the second, 19 years later in 2016.

It was the perfect trifecta! First, there was enough fruit to produce two barrels. Second, the quality was truly special and very unique. Third, the exclusion of this fruit did not negatively impact the Estate Pinot Noir bottling. This lot is truly a collector's dream!

LOT #33**KENDALL-JACKSON**

La Montaña | Never Before, Never Again Lot

Cabernet Sauvignon

Knights Valley, Sonoma County

2019

5 CASES

ABOUT THE WINE:

This “never before, never again” lot was hand selected from winemaker Susan Lueker's favorite hillside blocks from the western slope of Trace Ridge and Kellogg Vineyard. Here – grown above the fog line and below the watch of Mount Saint Helena – Cabernet Sauvignon is king. The vineyard crew at Kendall-Jackson calls this location “La Montaña”, the mountain, due to the rocky terrain and the rugged slope of the hillside.

Kendall-Jackson's “La Montaña” Cabernet Sauvignon showcases this exceptional, award-winning mountain vineyard site. Tucked into a mountainside in the heart of Knight's Valley, Trace Ridge and Kellogg Vineyard have a climate similar to the Mediterranean, with warm maritime influence created by the fog that wafts up to the region from Chalk Hill, Alexander Valley and Calistoga.

Farming on the mountain isn't easy as all the work is done by hand. The soil's water capacity is limited, and production levels are low. The vines produce small berries with highly concentrated fruit character and seamless tannins. The berries are picked based upon tannin maturity and the tannins are meticulously managed during fermentation, resulting in a concentrated, balanced wine showcasing black fruit, licorice and dark chocolate flavors.

The Goldilocks Gap's Crown Chardonnay | Never Before, Never Again Lot

Chardonnay

Gap's Crown Vineyard

Sonoma Coast, Sonoma County

2020

5 CASES

ABOUT THE WINE:

Three Sticks Wines, a boutique, family-owned winery, achieved "Best in Show" by Decanter World Wine Awards 2019 and continues to garner international support of its world class quality. "Winemaker of the Year" Ryan Prichard crafted a wine from one of their Grand cru level Estate vineyards considered to be the Goldilocks of Chardonnays because it truly is "just right" for everyone!

Gap's Crown Vineyard, one of the most iconic vineyards of the Sonoma Coast region, is uniquely positioned on the southwestern-facing slope of Sonoma Mountain in the Petaluma Gap. These Dijon clone vines are cloaked in fog for most of the day and endure intense winds that hammer the fruit, prolonging the growing season for steady ripening and building intensity and layers.

The grapes were fermented and aged in hand-selected French Oak chosen for this unique lot. Ryan helped develop a number of innovations for Three Sticks in the winery including a master cooper barrel program. This tree-to-wine partnership process, is unique and allows them to customize toast levels.

This wine pairs perfectly with a wide-array of dishes from mild to strong cheeses, to lighter fare and richer meals. It is characterized by its signature minerality and vibrant acidity, accented by flavors of kiwi, citrus zest, green apple and depth across the palate.

LOT #41**BOB CABRAL WINES**Inaugural Bliss | Library Wine Collection

9 BOTTLE COLLECTION

- 2015 Bob Cabral Wines Troubadour Pinot Noir, Russian River Valley, 6 BOTTLES
- 2015 Bob Cabral Wines Troubadour Pinot Noir, Russian River Valley, 2 MAGNUMS
- 2015 Bob Cabral Wines Troubadour Pinot Noir, Russian River Valley, 1 3-LITER

ABOUT THE COLLECTION:

Historically, a troubadour was someone who roamed around the countryside, making up whimsical stories and songs about love and life. However, the inaugural vintage of Troubadour Pinot Noir is a fairly serious wine. The grapes that Bob Cabral selected for this wine were specific clones from cool-climate vineyards in the Russian River Valley. Bob wanted to tell the story of these unique vineyards through the crisp acidity, wonderful flavors and rich tannins that this cooler area creates.

The 2015 Troubadour Pinot Noir has complex ripe aromas of wild cherries and raspberries, violets, citrus blossom, Asian spice, green tea and truffle that fill your glass. You can almost smell Russian River Valley's rich Gold Ridge soils that nurture these vineyards. In your mouth, ripe wild raspberry and cherry flavors explode with a nice balance of cardamom, sassafras and morel mushrooms tempered by a juicy acidity. The ripe, somewhat youthful tasting tannins are complemented by the concentration of fruit and a long succulent finish.

2019

5 CASES

ABOUT THE WINE:

A first-time collaboration between DaVero Farms & Winery and Medlock Ames, two wineries with parallel commitments to regenerative farming, and yet two unique paths to achieve this goal. This “never before, never again” blend continues their commitment to producing world class, eco-conscious wines.

Super Tuscans, an unofficial category of Italian wine, are featured with this unique blend of Sangiovese and Bordeaux varieties. With DaVero Farms & Winery growing Italian varieties in the Dry Creek and Medlock Ames growing Bordeaux varieties in Alexander Valley, this is a super celebration of not just what they grow, but how. It's all about farming, and their parallel philosophies make this a seamless partnership. Their commitment is to be shepherds of the land, actively encouraging biodiversity to allow for a thriving ecosystem not just for their grapes, but for all inhabitants around them. By embracing age-old, low impact, regenerative farming techniques, they cultivate grapes that are truly representative of the unique characters of their places, while also giving back to nature, as opposed to depleting it.

“Super Sonoma” is bold and muscular with expressive fruit. Lofty aromas of red and black fruits, forest floor, roasted walnuts and an attractive hint of fine balsamic on the nose. On the palate, deep, rich fruit flavors of ripe raspberry, plum and black cherry are intertwined with notes of dark chocolate nibs, wild sage and layers of spice. As the wine opens up, the gracious flavors harmonize with a big round mouthfeel anchored by a lush texture, smooth tannins and a lingering finish that balances power, finesse and freshness from start to finish.

This collection of library magnums represents a grouping of powerful women who earned names on vineyard sites which produce beautiful, expressive wines from the Russian River Valley.

Dina's Vineyard was planted by the Arata family more than 100 years ago and today only about six acres of gnarled, dry-farmed vines remain at the original Arata homesite. Hailey's Block Pinot Noir is located within the prestigious Arrendell Vineyard and is named after Hartford's second generation owner, and President, Hailey Hartford-Murray. The block was planted over 20 years ago to Dijon clones 114 and 777 at a time when Hailey was just six years old. Jennifer's Vineyard is named after co-proprietor Jennifer Hartford. The Jennifer's Vineyard is from a block in an estate owned vineyard located in the Sebastopol Hills neighborhood of the Russian River Valley AVA.

MARTINELLI WINERY

Nonna Luisa | Never Before, Never Again Lot

Zinfandel

Estate Vineyards
Russian River Valley
2020
5 CASES

ABOUT THE WINE:

At the age of 16 Luisa Vellutini Martinelli traveled from Tuscany, Italy to America. The first generation Martinelli to live on American soil, Luisa and her husband Giuseppe planted and farmed about 10 acres of Zinfandel grapes on Martinelli Road. Following Giuseppe and Luisa's footsteps, the winery is still family-owned six generations later.

Lee Martinelli Sr., along with his sons Lee Jr. and George, farm all of the family's 450 acres of wine grapes in Sonoma County today. All Martinelli Winery wines are 100% estate grown and produced. Every year Martinelli Winery makes the Giuseppe and Luisa Zinfandel in honor of them. This auction lot is unique as it is only comprised of grapes grown in the Luisa block.

Winemaker Courtney Wagoner allows the wine to be made in the vineyard – the attention to detail and quality-driven decisions during the growing process produces complex wines as distinct as the location where they are grown.

This “Nonna Luisa” Zinfandel has elegant flavors of juicy red plum, raspberry, nectarine and a light barrel spice on the long finish.

ABOUT THE WINE:

In 2016, Merry Edwards jumped at the opportunity to purchase grapes from John and Diane Bucher when two small blocks of their Westside Road vineyard became available. She had wanted to work with these grapes for some years, but decided to entrust the production of these wines entirely to her new Associate Winemaker Heidi von der Mehden. From that first vintage of this juicy yet sophisticated Pinot Noir in 2016, all of Merry Edwards Winery's Bucher wines have been produced by Heidi, who was handpicked by Merry to be her successor and became winemaker in 2018. The vineyard's clonal selections of Pommard and UCD37 (Merry's clone) are well-suited to their early ripening hillside location. These three critically-acclaimed vintages display complex aromas of dark berries and floral scents balanced by a savory component, culminating in dark fruit and broad, lush tannins on the palate.

ABOUT THE WINE:

The Peters Vineyard has long been one of Papapietro Perry Winery's highest praised vineyards. Its location on the high ridge south of Sebastopol and its Gold Ridge soil are a wonderful foundation for excellent fruit. LOT #51

PRIDE MOUNTAIN VINEYARDS

Summit Cuvée | Never Before, Never Again Lot

Cabernet Sauvignon

Pride Mountain Vineyards

Sonoma County

2019

5 CASES

ABOUT THE WINE:

Pride Mountain Vineyards was first planted to wine grapes in 1885 when it was known as Summit Ranch. In 1890, the three-story Summit Winery was built, and research shows that the quality of the wine produced from the property's grapes was praised even at that time.

This "Summit Cuvée" is a tribute to the property's history and also alludes to the quality of the wine that bears its name. One hundred percent Cabernet Sauvignon, it is sourced from two of the property's finest, and extremely small, vineyard blocks. One Acre Hill is planted to clones 4, 15 and their own proprietary Rock Arch clone, originally planted on the estate in 1982. It produces amazing fruit and has historically been used as the core of their Reserve Cabernet. Hidden Cab (0.4 acres in size) is planted to clones 412 and 32. In less than 1.5 acres, they have been able to achieve tremendously complex flavors!

Pride Mountain Vineyards winemaking is driven by a desire to express the full intensity and flavor of the estate's exceptional mountain fruit. Growing at elevation results in wines that are uniquely expressive of flavor, color and texture. The "Summit Cuvée" shows off flavors of ripe black raspberry, plum, cassis and subtle mountain herbs. On the palate, it is dense and lush, with an opulent texture and a minutes-long finish.

- 2005 Schug Winery Pinot Noir, Carneros, 5-LITER

ABOUT THE COLLECTION:

Schug Winery Carneros Estate wines are known to age gracefully over several decades. This most certainly holds true for their Carneros Pinot Noir, which is commonly enjoyed in its youth for its exuberant fresh red berry aromas and flavors, yet rarely appreciated as a mature wine, when seductive tertiary aromas of forest floor, truffle, leather, dried fruit and baking spices develop. What better way to enjoy a mature wine than in a large format bottle, where the wine ages more slowly and develops more complexity and nuances than wine in smaller bottle formats. Schug Winery is offering these two rare 5 Liter bottles from its library to demonstrate the evolution, complexity and quality of two of its vintages a decade apart: 2005 and 1995. These bottles, signed by Walter Schug, have been resting undisturbed in individual wood boxes in Schug Winery's cool caves since they were bottled 15 and 25 years ago. LOT #62**J VINEYARDS & WINERY**

Lucky 13 | Never Before, Never Again Lot

Brut Rosé

J Bow Tie Vineyard

Russian River Valley

2013

5 CASES

ABOUT THE WINE:

J Vineyards & Winery, a sparkling wine house founded in 1986, was one of the first to focus on the incredible Russian River Valley fruit. The winery adheres closely to the traditional method process, but their style and vineyard sites give their sparkling wines a modern California perspective. The Late Disgorged sparkling is the pinnacle of the J sparkling portfolio. The Russian River Valley sparkling 2013 vintage expressiveness and clear point of view was stellar. Pinot Noir from Bow Tie Vineyard was selected as a special *dosage* to commemorate this vintage and is the first Late Disgorged Brut Rosé in their history.

The vineyards for “Lucky 13” are primarily from the Middle Reach Neighborhood of the Russian River Valley, with about 15% from the Sebastopol Hills Neighborhood. Close to the Russian River, Middle Reach sees a balanced mix of thick, dense fog and warm sunshine during the growing season. These weather patterns preserve the fresh acidity in the fruit. The addition of Sebastopol Hills layers in appealing aromatics and vibrant red fruit qualities.

This Late Disgorged Vintage Brut Rosé will offer captivating aromas of citrus zest, toasted sourdough and subtle red fruits. Fine, delicate bubbles and a lively mousse will bring hints of cream on the forefront. Rich, complex notes of raspberry, kumquat, cherry and citrus layer on the palate, intricately knotted with toasted brioche, pastry crust and a touch of marzipan.

LOT #63

MEDLOCK AMES

Mountain Dreams | Winery Only Lot

12 BOTTLE COLLECTION

- 2017 Medlock Ames Kates & B's Cabernet Sauvignon, Bell Mountain Vineyard, Alexander Valley, 1 CASE

ABOUT THE WINE:

When co-founders Chris James and Ames Morison first started Medlock Ames, their passion was Cabernet and Bordeaux blends and as such 50% of the vines at Bell Mountain Vineyards were planted to Cabernet Sauvignon. Bell Mountain Vineyard stretches along the Sonoma side of the Mayacamas Foothills with rolling hills that provide microclimates throughout the vineyards. This allows for experimentation of Cabernet Sauvignon in blocks across the property.

Among the dozen Cabernet blocks, two of the steepest sloping plantings of Cabernet run up the side of Bell Mountain and continue to produce some of the richest Cabernet on their vineyards. The Kate's and B's blocks have become the hallmark of the subtle, elegant and rich style of Cabernet of Chris and Ames first dreams. These blocks are reflective of classic Bordeaux territory – high-density vine spacing, gravelly clay soils, tiny yields of small inky-black berries and a thoughtful clonal selection matched by a rigorous farming regime. Medlock Ames is releasing this member-only wine as part of this exclusive auction lot.

LOT #65**ROMBAUER VINEYARDS**

Patriots Single Vineyard Chardonnay | Never Before, Never Again Lot

Chardonnay

Patriots Vineyard

Carneros

2020

20 CASES

ABOUT THE WINE:

Anyone who caught a glimpse of Koerner Rombauer in his signature red, white and blue leather flight jacket knew he had a deep love for his country. Koerner joined the California Air National Guard at an early age and became a pilot. That tradition is carried on today by Koerner's grandson who serves in the United States Air Force. The family and staff at Rombauer Vineyards share this spirit of pride and gratitude for the place they call home. This lot is the first single vineyard Chardonnay from their newly named Patriots Vineyard that honors Koerner's legacy.

On the Sonoma side of the Carneros AVA, Patriots Vineyard 173 acres are divided into 51 blocks and planted to Dijon and Hyde-Wente Chardonnay clones. The cool but temperate climate and predominantly Haire Clay Loam soils create ideal growing conditions. The grapes were hand-picked, whole cluster pressed and barrel fermented in 100% French oak barrels. The wine aged sur lies for nine months with twice monthly batonnage.

This is a full-bodied Chardonnay with juicy flavors of apple, fig and ripe pear. The mid palate gains heft from the lees stirring, and the plush mouthfeel is creamy with lovely notes of vanilla and honey. Long and satisfying, the wine concludes with hints of toasty oak and spice on the finish.

LOT #66**SILVER OAK**

The Silver Lining | Never Before, Never Again Lot

Cabernet Sauvignon

Alexander Valley, Sonoma County

2019

20 CASES

ABOUT THE WINE:

Inspired by the beauty of the Alexander Valley and the resiliency of the community during an especially challenging vintage, this unique lot was crafted exclusively for the Sonoma County Barrel Auction. Winemaker Christiane Schleussner also looked for inspiration in her German roots and the word "ausblick," which translates to "outlook." Despite the obstacles of 2019, the hillside components of this lot reflect a positive outlook both literally and metaphorically. The resulting wine, "The Silver Lining," has notes of black currant and black cherry with a silky mouthfeel and complex finish that the winning bidder can enjoy now or for years to come.

Family-owned for nearly 50 years, Silver Oak produces Cabernets aged exclusively in American oak. Its exceptional, food-friendly wines are both drinkable upon release and worthy of cellaring for decades to come. Ray Duncan founded Silver Oak with Justin Meyer in 1972, and it's now owned and operated by Ray's sons, David and Tim, with a commitment to innovative and sustainable viticulture practices across its vineyard properties, winemaking facilities, tasting rooms and cooperage.

LOT #70

TWOMEY

Swan Express | Never Before, Never Again Lot

Pinot Noir

Last Stop Vineyard

Russian River Valley, Sonoma County

2020

5 CASES

ABOUT THE WINE:

Founded in 1999 by the Duncan Family of Silver Oak, Twomey combines experience and a sense of curiosity with the exploration of expressive vineyards for its wines – made to be savored with family and friends. Twomey pursues and sustainably farms sites that reveal a delicate balance between place and the classic characteristics of their respective growing regions. Twomey has never created a pure, singular expression of this Swan clone blend from Block 9 of Last Stop Vineyard – until now.

Last Stop Vineyard is named after its location, the last stop on a former rail line that ran in the early 20th Century. The Swan clone does particularly well there, and it is usually on the blending "express" en route to the single vineyard Twomey Last Stop bottling every year. This block was so distinctive in the 2020 vintage, though, that it deserved to be bottled separately.

With the hallmark, intense red berry, floral and spice qualities of Swan and the more opulent, intense darker fruit notes of the Russian River Valley, the marriage of depth, purity and expressive aromatic detail is on full display. Elegance and texture drive the palate, showing a compelling balance between presence, structure and freshness.

WESTWOOD ESTATE

For the Love of Annadel | Never Before, Never Again Lot

Syrah 70%, Grenache 15%, Other 15%

Annadel Gap Vineyard

Sonoma Valley, Sonoma County

2019

5 CASES

ABOUT THE WINE:

Beginning with certified organic and biodynamically farmed grapes, coupled with the best winemakers in the world, Westwood Estate wines are meant to elevate the important moments in your life. Reflecting two decades of work and planning, Westwood's voice is decidedly unique, as exceptional as their 33 acre estate, the Annadel Gap Vineyard.

In 1998 founder Carl Stanton and his friends created the beginnings of Westwood Estate and founded the Annadel Gap Vineyard. For the next dozen years, the team planted the estate to distinct sections, one to Rhône varietals, the other to nine clones of Pinot Noir, each bowing to the signature of this special place: fog, wind and cool marine-driven evenings, slowly finding the voice of the vineyard.

Later, Carl met David Green, who previously partnered with winemaker Philippe Melka to release a wine with a perfect 100 point score from Robert Parker. Dave was drawn to the idea of creating world-class wines from the Annadel Gap Vineyard and the rest, as they say, is history!

Philippe Melka painstakingly handcrafted this wine from the most desirable Rhône blocks of the vineyard intervening as little as possible from what nature had created, yet directing and coaxing the wine based on his decades of wisdom. As a result, this wine is powerful, dark, meaty and full of cool climate expression. It showcases the vineyard's unique aspect in portraying both savory and fruit-driven characteristics, a hallmark of Westwood Estate wines.

WORKS & DAYS

Single Vineyard | Winery Only Lot

24 BOTTLE COLLECTION

- 2018 Works & Days Chardonnay, Durell Vineyard, Sonoma Coast, 1 CASE
- 2018 Works & Days Pinot Noir, Spring Hill Vineyard, Sonoma Coast, 1 CASE

ABOUT THE WINE:

Works & Days derives its name from Hesiod's 700 BCE didactic poem – part almanac and part agricultural treatise. It is with similar thought, care and intelligence that Owner Winemaker, Cabell Coursey approaches his wines. Cabell's mission to put quality of fruit over yields and to farm vibrant vineyard eco-systems is at the center of the Works & Days Estate Spring Hill Vineyard. The Gold Ridge soils and coastal conditions of Spring Hill Vineyard provides rich fruit flavor as the vines fight for every bit of sunshine. With a core of red cherry layered with lavender and orange, the energy and tension of the Pinot Noir will stand out in the cellar for years to come. The quality over fruit yields commitment is shared by Cabell's partner vineyards, prized Sonoma Coast Durell Vineyard, with low-yield, old Chardonnay vines that provide uniquely small clusters and concentrated flavor. This is a Chardonnay with vibrancy and roundness that richens with time.

LOT #74**WALT**

WALT Mile Marker 372: Rockstar Coastal Chardonnay | Never Before, Never Again Lot

Chardonnay

Bob's Ranch Estate Vineyard

Sonoma Coast

2020

5 CASES

ABOUT THE WINE:

WALT specializes in premier Chardonnay and Pinot Noir sourced from the most coveted vineyards along the Pacific Coast spanning 1,000 miles. WALT represents wines of a place – these special sites where thoughtful viticulture enables winemakers to create expressive wines that reflect the signature personality of each site.

Often the hardest part of the winemaker's job is knowing when to stand back and let nature take its course. With wines from Bob's Ranch, a complex vineyard of over 40 different blocks, gentle handling of small batches and cool fermentation conditions are essential to promoting the unique expression of the site. When crafting Chardonnay, stylistic choices such as native yeast fermentation in barrel and extended aging sur lie are uniquely appropriate for certain blocks. Matching the process to the fruit takes a certain intuition. Creating a final blend that tells the story of the land and the season is the most artful phase of the winemaking cycle. It's here that the most profound barrels are singled out and the components are selected, layered and brought together.

The outcome is concentrated and focused Chardonnay with lavish weight and a perfectly balanced cut of acidity, deep aromas of orchard fruits such as apricot and ripe pear, flinty minerality and brioche notes from oak aging.

LOT #75

FRANCIS FORD COPPOLA WINERY

FULCRUM | Never Before, Never Again Lot

Cabernet Sauvignon

Stuhlmuller Vineyard 59%, Archimedes Vineyard 41%

Alexander Valley, Sonoma County

2019

5 CASES

ABOUT THE WINE:

Francis Coppola's grandfather Agostino so greatly admired the intellect and ingenuity of the Greek mathematician Archimedes that he bestowed the name upon his first son. With their estate's Archimedes Vineyard, Francis Ford Coppola Winery pays homage to Uncle Archimedes. As one of their finest achievements, this vineyard and its wine represent their passionate dedication to the craft of great wine making.

This specially crafted auction lot is a cuvée of 2019 Estate Archimedes Vineyard Cabernet Sauvignon and 2019 Stuhlmuller Cabernet Sauvignon, selected from a single new French oak barrel after 22 months of age. The Archimedes Vineyard, located at 2,200 feet elevation, is a hillside vineyard producing concentrated, structured, age worthy wines. The Stuhlmuller Vineyard is located further south in Alexander Valley, near the Russian River, and is substantially cooler, producing wines with perfumed red fruit, good acidity and fine tannins.

The wines from the two vineyards were picked at optimal maturity for their sites and vinified separately. After several weeks of fermentation and skin contact the wines were pressed and then put to 75-80% new French oak barrels for malolactic fermentation and aging. After more than a year of age, the cuvée was selected and the wines were blended and returned to the barrels for the balance of their two year aging regime.

The interplay of the two wines together provide concentration and lift and define the FULCRUM point of this wine. This never before, never again wine is absolutely one-of-a-kind, and is not bottled as such under any of the Family Coppola labels.

The grapes used for "The Original Carneros Rhone Ranger" are part of the California and Sonoma Sustainability programs.
